

PIG® 4 in 1® Oil-Only Absorbent Mat Roll

Mediumweight, 16" x 150', 1 roll

Get 1 mat – use it 4 different ways! It's a pad, roll, sock and wiper all in one. Easy-fold mat can tackle different kinds of leaks, drips and spills of oil.

- Our narrow mediumweight rolls are ideal for lining shelves and ledges along machines to soak up leaks and drips
- Use as a pad to catch drips and soak up spills; roll out to line shelves or ledges; fold along score lines to make a thick, absorbent sock; tear off a piece to use as a low-lint wiper
- Rolls are perforated every 10" and underside is scored for easy folding; you can shape this mat to fit your spill
- Absorbs and retains oil, NOT water
- White color draws attention to machine leaks and clearly shows saturation level during spill response
- PIG Mat lasts 2x longer than competitive mats and won't rip, tear or fray even when saturated; liquids absorb quickly for faster, easier cleanups and safer workplaces
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids
 - always take proper precautions when handling saturated absorbents

Safety Instructions Regarding Flammable Liquids for Flame Resistant Mats

Pig Absorbent Mats are flame resistant in their unused state, but take on the properties of flammable liquids they absorb. Always take proper precautions against potential ignition in handling and disposal of these mats if they have absorbed flammable liquids. For further assistance, please call Technical Services.
