

## **PIG® Lite-Dri® Loose Absorbent**

Absorbs Oils, Coolants, Solvents, Water –  
Universal, Absorbs up to 8 gal., 1 bag

Silica-free loose absorbent pulls most common industrial liquids from your floor — it's easier to lift, lighter to carry, and 3X more absorbent than clay!

- Unlike clay, which is simply coated with liquid, fast-wicking recycled cellulose actually soaks up the spill the moment it touches
- Three times more absorbent means you'll use less material on the spill, reducing your labor and disposal costs
- Silica-free composition is non-abrasive and does not pose the health hazards associated with breathing in clay dust
- Non-abrasive composition won't harm finished floors or damage expensive machinery
- Light-weight absorbent is easier than clay to carry and use without injury
- Absorbs and retains oils, coolants, solvents and water
- Bag features a built-in handle for easy portability, handling and dispersal
- Recycled cellulose is ideal when green products are desired or required
- Can be incinerated after use to reduce waste or for fuels blending

### Specifications

<b>Fluid Absorbed</b>	Oils, Coolants, Solvents, Water – Universal
<b>Color</b>	Gray
<b>Recycled Content</b>	100% Mixture of Pre- and Post-Consumer Recycled Cellulose
<b>Absorbency</b>	Up to 8 gal. per bag
<b>Brand</b>	PIG
<b>Unit Weight</b>	22 lb.
<b>Sold as</b>	1 bag
<b>Weight</b>	22 lbs.
<b>NSN (National Stock Number)</b>	4235-01-436-8317
<b># per Pallet</b>	54
<b>Composition</b>	Cellulose

**Application**

General Absorbent

**UNSPSC**

47131902

## Metric Equivalent

**Absorbency**

Up to 30.3 L per bag

**Weight**

10 kg

## Technical Information

### Technical Documents

PIG® LITE-DRI® Loose Absorbent

29 CFR 1910.22(a)(2)

### Disclaimers

#### Corrosive Liquids Notice

Not recommended for acids, bases or other corrosive liquids.
